Bree has a rare day off from shooting lesbian hardcore, so she's spending it cleaning her back patio. "Cleaning isn't glamorous, but it can still be sexy," Bree says, flashing us her twinkling green eyes and plump tits before getting back to work. "Cleaning calms me down, and when I'm relaxed I get horny. The only thing I like dirty and messy is sex. But still, I usually clean up everything with my tongue afterwards!" Good girl, Bree!

# on the road - again

---

*Being on the road as a corporate person can have a lot of wear and tear on one's body as well as psyche. Fortunately, occasionally, there is a reprieve from the boredom and long hours.  
Beverly was that reprieve for me.*

---

This Tuesday I was back in Jacksonville after three days in Tallahassee. As the Ombudswoman for a major corporation, I did a lot of traveling and spent a lot of time in airplanes and limos. While that may seem glamorous to some, I'm beginning to hate it. Sometimes I feel like that proverbial traveling salesman, only I'm trying to put out fires, instead. I met with the morning and evening managers trying to resolve some staffing issues. The meeting took almost three hours and I was exhausted by the end of it. The meeting room door squeaks open and in walks Beverly Banner. Bev and I were classmates and roommates in Gainesville some ten years ago. Now she's an Executive VP here. "Cassie. Hi honey, they told me you were here." "Hello Beverly. Yeah, It's been quite the day, and I'm not looking forward to tomorrow. I say as I gather my papers into my overstuffed briefcase. "Come on, let me take you to dinner and then you can go relax." she says. "Thanks Bev, that would be great."

She drives us to a local seafood restaurant and we catch up on things. It's been about four years since I last saw her although we email every so often on company business. We put down the first bottle of chardonnay rather quickly and start a second. Bev then tells the waiter to cork it, we're

taking it with us. "Come on, I'll drive you back to your hotel and we can finish it there." she says. I nod approvingly and she pays the bill.

We go up to my room and settle in. A couple glasses of wine and we're laughing our asses off, mostly at the expense of our company's personnel. Then she looked at me trying to hold back a big laugh. "Remember Billie's Bar?" she asks. I start to laugh when I realized we spent most of that night kissing and feeling each other up. I cut my laugh short and suddenly she says, "You still want me?" I didn't know if that was a question or a statement. I was so embarrassed, probably flushing several shades of red at once. I started to make a break for the bathroom.

"Wait Cassie." She says grabbing my wrist before I could get away. Bev wrapped her arms around my waist she pulled me close to her. "I was just fooling around. Don't take it so serious. Now, why don't you sit back down and finish this walk down memory lane?" she says.

I sat down next to her not knowing what to do or say. The wine was talking to me saying it was okay, let it go. My

corporate Cassie was concerned about the ramifications, but in the end, didn't really care. Then Bev begins to unbutton her rather stuffy blouse and opens it up revealing her beautiful full breasts inside a pretty pink lace bra. Then she stood up and unbuttoned her pencil shirt and dropped it on the floor. She took her drink and sat back on the bed and spread her legs. She wasn't wearing anything else under her skirt. Her fingers went down and fluffed her well-trimmed muff and then she rubbed her pussy. "Cassie, don't be a prude. It's just us. We've been here before," she says. "Bev, I can't believe I'm going to do this, but you know I probably will." I say. She leans back more taking me in as I stand by the side of the bed and unbutton my shirt, take it off and unclasp my bra. I couldn't believe I was going to go through with this. I hadn't done anything like this since college, but it was exciting me now. I slid the bra off my arms and rubbed my unrestrained boobs.

"You still have those great boobies, dearie," she says. "I love yours, there's so much fun to play with." She was still rubbing her pussy as she looked me up and down. "Now the skirt. Do you still wear panties?" she chides me as she reaches out with her foot, running her toes up the inside of my leg. As I undid the zipper, I turned my back to her and bent over, dropping my skirt and revealing a black cotton thong underneath. "You can keep that on for now, if you want. Your ass looks great in it." she says. Lying completely naked on the bed, she rolls onto her stomach and reached

down into her briefcase she had put next to it. She pulls out a lunch-bag size pink paper bag and shakes its contents onto the bed. "I always come prepared," she smirks as a rather large magenta dildo drops out.

Beverly rubbed it on her wet pussy lips and then raised it to her mouth and licked it. I climbed onto the bed next to her and leaned back against the head of the bed and spread my legs. I squeezed my boobs with one hand while I rubbed my pussy with the other. Bev moved closer to me and slid the dildo inside her. After a quiet moan, she reached back over to her case and pulled out a yellow vibrator for me. I took it and twisted the bottom to turn it on. I felt a little strange using her vibe, but pressed it to my pussy and tried to find the right speed for my clit. It had a few settings and I found one that pulsed to different rhythms; combining speeds and intensities. I rubbed it over my slit and then back up to my clit. I slid it inside of me and increased the speed. I used my fingers to push it deeper and then pulled it out. Again, I pressed it deep inside myself and brought it back toward the surface. I looked over at Bev and she was staring intently at me and my actions.

She looked away from me and began to fuck herself harder and harder. She reached over and wrapped her arm around my leg. Now she was frantic, pumping furiously with the dildo. She squirmed up the bed closer to me, panting and moaning. I saw her face and chest tighten up as she cli-

maxed. The bed moved as she bucked and arched her back to the waves of her orgasm. Her boobs and nipples looked perfect in profile, sticking out like that. She let the rubber cock fall from her pussy and let out an exhausted sigh.

When the dildo fell out, I replaced it with my fingers, fucking her harder and harder. As I did, I found my thumb brushing her anus and every time it did, she moaned even louder. Daringly, I rubbed it in small circles and teased it with a quick shallow thrust of my thumb. That, apparently was a huge turn on for her that I would file in the back of my mind if there was even a next time. After a few minutes she screamed out in another huge orgasm so loud that I was taken aback by it. Nonetheless, I helped finish and gave her wet pussy a little you're welcome kiss. Bev smiles at me and tells me how nice that was. Did I like doing it? I confessed that I did.

Then her hand reached over and began to massage my breast gently. She leaned into the other one with her mouth and licked around the nipple. Slow, swirling circles that made my legs quiver. Her hand slid down my stomach and lower to my clit bumping my hand and the vibe away

so she could get at it. She teased it as she sucked on my nipple. I could feel my climax building inside me. Orgasmic pleasure was rushing from where she sucked at my nipple through my abdomen to the rhythmic pulsing vibe that was now in my pussy. I wanted to stall it just a little bit longer. To let it build just a little bit more. I had no control over it though as Bev rubbed feverishly at my clit.

Then it came out as a long staccato whisper. I didn't have to say it; she knew. My breath was ragged and I was shaking. She pushed a finger inside me, but kept working my clit with her thumb. I gasped, as the first rush of fluids flowed past her finger. She sat up eagerly watching my pussy. My next wave released as she pulled her finger out. The little toy kept vibrating and I kept . Three more times my muscles contracted and my pussy was flooded with its own cum. We were drenched, the bed was drenched. We had to stop or we'd flood the place out.

I stood up and headed toward the shower. "Hey," she called behind me. "I hope you enjoyed it, because this is only the beginning for us." I knew she was right, I knew it and I couldn't wait.

# GIRL NEXT DOOR

## SinDee

I know you are and so am I. I had a girlfriend help me shave my pussy clean last night. I can easily get the top part, but it's hard to shave around my pussy lips and underneath. It's so sensitive, and if I get a razor cut, it'll hurt for weeks. Hope she did a good job because we had a lot of fun.

## Jordan

This is an experience with a former boyfriend. We would enjoy watching porn together. One day, I decided to put on some lesbian porn. The movie was great with beautiful women. We were laying on the couch together but he didn't touch me until a good half hour into the movie. He kissed my neck and then unfastened my bra. He lightly touched my nipples and I was so excited that I exploded into a huge orgasm!

# Jeanie Marie

Rock back in your recliner and I'll rock you hard. I may be a short drink of water, but that just means you'll have to have me again and again. But it also means that my mouth is small, all the better to suck you with, and my pussy's tight, all the better to fuck you with, my dear. So whip out that big cock and make me want to have you over and over, again...

# hot bikinis in the Arizona sun

I'm now in my second year in college and finally get to go to spring break in Lake Powell. My parents warned me about getting too drunk and letting boys, or girls try to take advantage of me. I promised that wouldn't happen and couldn't wait for March to come around. A group of us girls drove down from Denver and couldn't wait to get out of the cold and into our bikinis, or less! One of the girls had a friend, Tyler, who said he had a huge houseboat that we could stay on. When we got to the marina, there it was in all its glory: The Beertown. I thought this might be trouble, but hoped not.

That first night we had burgers and hot dogs grilled on the back deck. Booze flowed but everyone was keeping cool. They told me the rowdiest days were to come so they were just pacing themselves. I thought this too might be trouble, but hoped not. We retired about midnight and woke the next day to the boat rocking

at its mooring. Seems like the day was getting started as boats left the marina and headed to The Cove. There we picked up a few more people and headed for a small bay just past the Island Lighthouse. The Arizona sun was

hot and beating down on us. We Colorado girls were not used to it so we would spend time going below deck then back up top.

Overall, I'd have to say it was a crazy scene. I had looked at some YouTube videos and knew it could get crazy. Girls were in the smallest bikinis I've ever seen and mine was quite modest compared to theirs. But it didn't take long, or too many drinks, to get me topless and fit right in. The boys were loud and some got quite belligerent. People would swim over to the boat and our guys would swim over to their boats. The water was barely waist deep so there were a lot of bodies in the water. Occasionally, the patrol boats would buzz by but no one paid much attention to them. By nine pm, I was done. The sun, the booze, the noise, the sway of the boat. I thought this too might be trouble, but hoped not.

I went to my cabin which was shared with three others, boys

The water was barely waist deep so there were a lot of bodies in the water. Occasionally, the patrol boats would buzz by but no one paid much attention to them.

and girls, pulled the sheet over me and shut my eyes. What seemed like many hours later I slowly opened my eyes. I could hear music playing and it sounded like it was coming from the deck above. There were muffled voices and footsteps dancing? But that wasn't what woke me.

I realized that the sheet was no longer on me and Ty's head was between my legs and his tongue was busy on my clit. Ty's 'first mate' Shawn was sitting on the opposite bunk playing with himself and watching.

Strangely, a warm excitement came over me so fast that and before I had a chance to complain, I started grinding my pussy into Ty's face. Shawn crawls over and puts his dick into my mouth. I sucked his entire length to the back of my throat just as I cum all over Ty's face. Shawn then straddles my chest and starts fucking my face. I'm so confused and amazed that all I can do is watch his dick sliding in and out of my mouth. Oddly enough that just made my pussy even wetter. When he took his dick out of my mouth and started rubbing it over my face, I had a mini orgasm. He started stroking his dick and told me to lick his balls. Just as

my tongue touched Shawn's ball sack, Ty's fingers entered my pussy. I licked Shawn's balls, taking each one into my mouth individually, and then both.

I always liked giving head and was pretty good at it. I even won a blow-off with a couple of my girlfriends by making my guy cum first. Thinking back to that made me want Shawn's dick back in my mouth. I grabbed it and opened my mouth wide. After I did, I closed my mouth around

it, swirling my tongue around his cock head. The whole time Ty has his fingers in my pussy making me hot as hell. He lifts my legs and Shawn reaches behind to grab them while still straddling my chest. Still getting my mouth fucked, I can feel Ty rubbing the head of his dick on my clit and between my very wet pussy lips. Then he slams it into my pussy. He tried to get it all into me in the first shot. He tried again and succeeded. It was pain and pleasure at the same time. Having hard cocks in two of my holes was a totally new sensation for me. I thought this might be trouble, but hoped not.

I didn't want them to stop. I was no longer drunk so I couldn't blame it on the alcohol. I was loving every minute. Ty was pounding into my pussy and Shawn fucking my mouth. I wanted to be on all fours and tried to get Shawn's dick out of my mouth for a few seconds but he must have liked the feel of my wet mouth too much. He let go of one of my legs to grab the back of my neck and started fucking my face even harder. I placed my hands on his stomach to get his attention. I got on all fours facing the bunk and pressed my face against the floor with my ass

I'm so confused and amazed that all I can do is watch his dick sliding in and out of my mouth. Oddly enough that just made my pussy even wetter.

in the air.

Shawn must have liked what he saw. He knelt behind me and slapped my right ass cheek hard enough to leave prints. I flinched from surprise but since I like to be spanked, I shook my ass again hoping it would inspire him to do it again. He obliged by smacking my left ass cheek, but not as hard as the first time. Ty sat on the bunk in front of me and started stroking his cock. I raised my face off the floor to eye level with his balls.

While Shawn is smacking my ass and watching it jiggle, I started licking my way up Ty's dick. I started down the left side, stopping at his balls to lick them gently. Up the right side to find pre-cum waiting for me. It tasted a little salty. I can feel Shawn spreading my ass cheeks as he starts to lick me, very slowly, from my clit to my asshole. I pushed my ass back into his face in hopes he would do it again.

I went down as far as I could Shawn's tongue between my legs was driving me crazy. It didn't help when he started tongue fucking my ass. This is when I found out that the hornier I get

the more greedier I am. Ty's dick was in my throat and I could not have been happier. When I let go of the cock, I had a mouth full of spit and was gasping for air. Ty sat forward on the couch with his legs on either side of me, placed one hand under my chin to feel my throat when it opened for his dick and the other in my hair to keep it out of the way. As he fucks my face, I use both hands to spread my ass cheeks further for Shawn. I thought he would continue tongue fucking me but I felt

the head of his dick at my pussy. Now they are both pumping into me from both ends. They keep up a steady pace for a good ten minutes. Ty lets go of my hair and holds his dick in my mouth for about thirty seconds enjoying the contractions of my throat. He takes his cock out of my mouth long enough for me to draw breath and does it again. This time Shawn, with his dick in my pussy, sticks his index and middle fingers in my ass. I came so hard, I was shaking. The guys came all over me. I remember thinking what a mess this was going to be. Then feel hands on my legs as one of them kisses my pussy very gently.

When I eventually stopped my shaking, they helped me back into my bunk and covered me with the sheet. I slept peacefully that night and in the morning, to the sway of the water, the first thing I did was take a long hot shower. After about twenty minutes I emerged from the bathroom smelling fresh and clean. I put on my skimpiest bikini and readied myself for another day. I thought this might be trouble but, it wasn't. It was fun!

He knelt behind me and slapped my right ass cheek hard enough to leave prints. I flinched from surprise but since I like to be spanked, I shook my ass again...
